The Master Trustees, upon adoption of an amendment to this Agreement, shall send a copy of any such amendment to the Participating Employers.

B. Termination. This Agreement and any trust created hereby may be terminated at any time by the Master Trustees with respect to an Employer when the Employer's participation in a participating Plan is terminated or when a Trust Joinder Agreement has been terminated. The Defined Contribution Pension Plan Trust may be terminated in its entirety when all of the

participating defined contribution pension plans have been terminated in their entirety or have terminated their participation in the Defined Contribution Pension Plan Trust. The Deferred Compensation Plan Trust may be terminated in its entirety when all of the participating deferred compensation plans have been terminated in their entirety or have terminated their participation in the Deferred Compensation Plan Trust. The Other Post-Employment Benefit Plan Trust may be terminated in its entirety when all of the participating other post-employment benefit plans have been terminated in their entirety or have terminated their participation in the Other Post-Employment Benefit Plan Trust. The Defined Benefit Pension Plan Trust may be terminated in its entirety pursuant to Florida law. This Agreement and the Master Trust Fund may be terminated in their entirety pursuant to Florida law.

In case of a termination of this Agreement, either in whole or in part, the Master Trustees (subject to the provisions of Section 111 hereof and reserving respectively such sums as the Master Trustees shall deem necessary in settling their respective accounts and to discharge any obligation of the Master Trust Fund for which as trustees the Master Trustees shall be liable) shall hold, apply, transfer or distribute the affected assets of the Master Trust Fund in accordance with the applicable provisions of this Agreement and the affected Plans. Upon any termination, in whole or in part, of this Agreement and the trusts created hereby, the Master Trustees shall have a right to have their respective accounts settled as provided in Section 112.

In the case of the complete or partial termination of this Agreement as to one or more Employers, including a termination arising from the discontinuance or delinquency of contributions, the affected assets of the Master Trust Fund shall continue to be held pursuant to the direction of the Master Trustees, for the benefit of affected Participating Employees and Beneficiaries, pursuant to the benefit provisions of the affected Plan. This Agreement shall remain in full effect with respect to each Participating Employer that does not terminate its participation in the Master Trust Fund on behalf of its Participating Employees, or whose participation is not terminated by the Master Trustees. In the event of a complete termination of the Master Trust Fund, or of the complete termination of the Defined Contribution Pension Plan Trust, the Deferred Compensation Plan Trust, the Defined Benefit Pension Plan Trust or the Other Post-Employment Benefit Plan Trust, the Master Trustees will take reasonable steps to avoid a distribution to the Participating Employees and Beneficiaries, except pursuant to benefit options under the provisions of the participating Plans, including transfers to successor plan(s). However, if distributions must be made, the Administrator shall be responsible for directing distribution of all affected assets of the Master Trust Fund to Participating Employees and Beneficiaries.

Distributions under a participating Plan of existing accounts or accrued benefits to the Participating Employees and Beneficiaries affected by the termination are subject to the benefit provisions of the Plan. However, if a Participating Employer requests a plan-to-plan transfer of Plan assets with respect to the Participating Employer's Participating Employees, the Master Trustees may in their discretion make the transfer.

Notwithstanding the foregoing, the Master Trustees shall not be required to pay out any assets of the Master Trust Fund to Participating Employees and Beneficiaries or a successor plan upon termination of this Agreement or the Master Trust Fund, in whole or in part, until the Master Trustees have received written certification from the Administrator (i) that all provisions

of law with respect to such termination have been complied with, including the termination of a Plan; and (ii) after the Master Trustees have made a determination of the fair market value of the assets of a Plan, that the assets of the Plan are sufficient to discharge when due all obligations of the Plan required by law. The Master Trustees shall rely conclusively on such written certification and shall be under no obligation to investigate or otherwise determine its propriety.

When the assets of the Master Trust Fund affected by a termination have been applied, transferred or distributed and the accounts of the Master Trustees have been settled, then the Master Trustees shall be released and discharged from all further accountability or liability respecting the trust or trusts, or portions thereof, affected by the termination and shall not be responsible in any way for the further disposition of the assets of the trust or trusts, or portions thereof, affected by the termination or any part thereof so applied, transferred or distributed.

Section 111. PROHIBITION OF ASSIGNMENT OF INTEREST.

No interest, right or claim in or to any part of the Master Trust Fund or the funds of the Plans, or any payment therefrom shall be assignable, transferable or subject to sale, mortgage, pledge, hypothecation, commutation, anticipation, garnishment, attachment, execution or levy of any kind, and the Master Trustees shall not recognize any attempt to assign, transfer, sell, mortgage, pledge, hypothecate, commute or anticipate the same, except to the extent required by law.

In resolving any conflict among provisions of the Other Post-Employment Benefit Plan Trust and in resolving any other uncertainty as to the meaning or intention of any provision of the Other Post-Employment Benefit Plan Trust, the interpretation that (i) causes the Other Post-Employment Benefit Plan Trust to be exempt from tax under IRC Sections 115 and 501(a), and (ii) causes the participating other post-employment benefit plan and the Other Post-Employment Benefit Plan Trust to comply with all applicable requirements of law shall prevail over any different interpretation.
