	Questions	Answers
1.	Since <u>Line Item # 12</u> includes the complete Cyc drop fabric, sewing, track hardware and installation, then should the <u>Line Item # 16</u> price be "only the fabric upgrade as an add-on price" for the alternate to the fabric quoted in Line Item # 12?	Line 12 is in reference to section 3.4 #5.d. #5 "Rear Setting" and Line 16 is in reference to 3.4 #5.e. #3
2.	Or should <u>Line Item # 16</u> include the complete Cyc Drop Curtain with upgraded fabric, sewing, track hardware and installation as an option to the complete <u>Line item # 12</u> , so that one of the two Line Items will be deleted once an option has been chosen by the City of NMB?	See above
3.	Are we to include sales tax in our quote?	No, the City if Tax Exempt.
4.	To keep the pending Roll Up Door addendum equal bidding, can the following wording be provided to all bidders? <u>Addendum - Add-on Alternate: Roll Up Door Masking Curtain Fabric:</u> 25oz IFR Velour (unlined) Box Pleated with 50% added fullness, Color: TBD. <u>Roll Up Door Masking Curtain:</u> 1 each One Way Stack Left (with Left Hand Return Back to Wall). to cover the complete door height and full width, plus enough clearance past door lift chain. <u>Track:</u> ADC # 273 Walk-along, with wall mounted brackets above Roll-Up Door Housing, with track height to clear recessed wall "nook" on the adjacent right hand wall, complete installed	Yes, see revised RFP document version 2.
