- C. Donard St. Jean expressed concern that the term affordable housing did not explicitly determine that it would be affordable for all NMB residents. Kent Walia explained that the workforce housing standards is lower than what is required for the county. The City of North Miami Beach has a lower median income and therefore the workforce housing requirements are lower.
- D. Larry Thompson asked if the applicant was planning on doing anything economically outside of the CRA. Matt Amster, the applicant, stated that the workforce housing component has not been confirmed for the “NMB Place” project. Thompson asked about the rental rates for the project. Kent Walia provided the average rental rate numbers that were indicated previously by the applicant.
- E. Mark St. Vil expressed concerns about the pricing presented and stated that the prices could not be considered workforce housing, considering the median income of the City of North Miami Beach.
- F. Daniel Heisler had concerns about abandoning the alleyway and the City not receiving any compensation.

Motion made at 8:32pm by Daniel Heisler to approve the project with conditions upon the implementation of workforce housing and that it's connected to CRA dollars. It was seconded by Larry Thompson to approve the Site Plan and Four Related Variances from the Zoning and Development Code, NMB Place – located at 1959-1999 NE 164 Street.
