For Immediate Release

Statement from City of North Miami Beach Mayor Anthony F. DeFillipo and Interim City Manager Mark Antonio on the absence of quorum for City Commission Special Meeting.

At this time, the City of North Miami Beach Special meeting scheduled for April 4, 2023, will not meet quorum.

With that caveat, we want to be clear that the City Administration is working diligently for its stakeholders of the City of North Miami Beach. We are specifically referring to our residents, business owners, visitors, and elected officials.

Over the last 6 months the administration has been prepared to share the status of ongoing and/or upcoming projects, programs, budgetary plans, policy etc. however, the continuous lack of quorum - putting a hold on critical city business, has been to the detriment of everyone in our great city.

We eagerly await quorum to return to City Chambers so the administration may execute the important dealings of the city in a thoughtful and efficient way for the benefit of everyone who lives, works, and plays in the City of North Miami Beach.
