CNMA CITY CLERK'S OFFICE

Dear Sol,

Just to make my final report as clear as I can:

1) The amended G4 report needed to have a voided, repayment of loan, check added back into the account. It was lost and obviously never cashed and the expenditures had to be put back into the account as well.

2) The amended TR report shows a contribution that was never recorded and the closing of the bank account. The bank account had a credit of \$435⁰⁰ that the bank could not release until 8/1/07 and thus the bank account was closed twice. Yes - when the funds came in the bank re-opened a closed account and released the funds two days later! Thank you
Phyllis Smith
