

PARK RULES

Informed by recommendations from Miami-Dade County, The City of North Miami Beach is moving to a new normal and easing restrictions on select parks for passive activities.

Patrons are encouraged to use parks for individual and family passive activities.

Current CDC and State Health Department guidelines regarding the use of facial coverings, 6 feet of social distancing between individuals and limit of groups to 10 people or fewer, must be followed.

The City of North Miami Beach Parks and Recreation have limited activities until further notice.

For safe, responsible individual and family passive and limited active use only, such as: **walking, jogging, hiking, cycling, and quiet enjoyment of the outdoors, tennis singles play only, racquetball individual play only.**
