North Miami Beach, FL – February 17, 2022 – The City of North Miami Beach has partnered with **WorldSafe1st** to open a new Covid-19 Drive Thru Testing Site. The new site has been set up in the parking lot area behind City Hall located at 17011 NE 19th Avenue, North Miami Beach, FL 33162. The site is open to the community on Mondays, Wednesdays, and Fridays from 9:00 a.m. to 5:00 p.m.

To provide a convenient and safe way to test for Covid-19, the new Drive-Thru Testing Site offers residents PCR and Rapid Covid-19 tests. The PCR tests are performed with a nose swab and results usually take 24 to 48 hours to return from the laboratory. The Rapid test delivers results within 15 minutes.

As an additional option, residents may walk-up for service at a second location administered by **Testing Matters** across the street from City Hall. The testing tent is set up in front of the City of North Miami Beach Public Service Building (17050 NE 19th Ave, North Miami Beach, FL 33162) and it operates Monday to Friday from 9:30 a.m. to 4:00 p.m.

Covid-19 tests are free of charge. Upon arrival at each site, residents will need to show a valid ID. To pre-register for the Testing Matters site across from City Hall, residents may scan a QR code for instructions. For additional information on Covid-19 resources, visit CityNMB.com.
