

DROPS OF KNOWLEDGE

NMB WATER NEWSLETTER - JUNE 2022

## THE LATEST ANNUAL WATER QUALITY REPORT IS NOW AVAILABLE IN ENGLISH, SPANISH AND CREOLE.

To download a copy of the report, please visit [NMBWATER.com](http://NMBWATER.com) and click the "Outreach" tab.

The annual document includes detailed information on the quality of water delivered to our customers between January 1 and December 31, 2021. It provides a better understanding on how the efforts from the entire NMB Water team to produce the highest water quality are achieving favorable results.

# LATEST CIP PROJECTS IN MOTION

**Our Capital Improvement Projects are making great progress all over our service area!**

For the latest project updates and schedules, please visit our CIP dashboard at [NMBWATER.com](http://NMBWATER.com)

**Eastern Shores Watermain Rehabilitation**

**Corona del Mar Sewer System Phase 2**

**Honey Hill Watermain Rehabilitation**

**Kevin White**  
Utility Locator

NMB Water would like to spotlight a hardworking gentleman who has been a valued part of our team for over 5 years.

Kevin is a highly trained Utility Locator for NMB Water. In a nutshell, Kevin comes to work every day to identify and map locations of our underground infrastructure. His position entails documenting site information by using specialized software and communicating the data with contractors, engineers, and management teams. It's an essential job that helps everyone stay safe on a wide variety of construction projects - pinpointing exactly where underground water and sewer lines are found.

When he's not being a superstar for NMB Water, taking care of his family is his first and foremost priority. Kevin enjoys backyard barbecues with his wife Karhonda, their five children, Michael, Zaria, Kaniya, Kevonni and Katie and two dogs Boss and Debo. When time allows, he also loves riding motorcycles, shooting pool and vacations in Colorado.

**THANK YOU KEVIN  
FOR EVERYTHING YOU DO!**

NMB WATER - EMPLOYEE SPOTLIGHT

# HAPPY 4TH OF JULY

Many of us celebrate the Fourth of July every year with fireworks, barbecues, concerts and parades. Growing up, you may have heard that we celebrate Independence Day on July 4 because that's the day the Founding Fathers signed the Declaration of Independence, but that's not technically true. Although the Declaration was adopted on July 4, 1776, it wasn't signed by most people until a month later.

## Did you know?

Independence Day became a Federal holiday in 1870.

July 4 is the number one holiday for bottled water sales in the U.S. (Just kidding, it's beer!)

About 16,000 July 4th fireworks displays happen around the country each year.

**The Constitution is what actually defined our form of government and set boundaries on what our laws could and couldn't do and was not established until 1789.**
