### **The City of North Miami Beach and Commission will present a Groundbreaking Event and Senior Luncheon at the future Senior Center & CRA Office Location**

**North Miami Beach, FL – October 13, 2022** – The City of North Miami Beach and Commission will present a groundbreaking event to debut the future Senior Center and CRA Office location at 16501 NE 15<sup>th</sup> Avenue, North Miami Beach, FL 33162. The groundbreaking event will be held from 11:00 a.m. to 12:30 p.m. on Friday, October 14, 2022. The event will be followed by the monthly Senior Luncheon from 12:30 p.m. to 2:00 p.m. and it will be held at the site of the future Senior Center.

In January 2022, the City of North Miami Beach acquired this property from Jits Investment Corp. with plans to renovate the building and open a new Senior Center. The property was built in 1970 and it was originally designed by famed Architect Alfred Browning Parker. The Senior Center will serve as a new home for the NMB Senior Program which provides important services and programming to enrich the lives of our local senior population. The goal of the program is to increase physical and mental stimulation, prevent isolation, encourage socialization, and healthy lifestyles. Members of the program may participate in monthly senior luncheons, arts & crafts, group games, and field trips.

During the groundbreaking event, guests will be able to preview the conceptual renderings of the future Senior Center designed by **Civica Architecture**. The City of North Miami Beach Mayor and Commissioners will attend the event. After the groundbreaking event, the monthly Senior Luncheon hosted by Commissioner Paule Villard, the Liaison of the Commission on Aging, will be held at the site of the future Senior Center. The luncheon will feature a complimentary meal, refreshments, raffles, and entertainment.
