**We will be turning off the water
intermittently on:**

◆ **Next Update Pending**
For residents on:

NMB Water is continuing to replace the watermain system in the Eastern Shores neighborhood.

Please be advised that we are anticipating to shut off water service at select times during construction.

If your street or residence will require a temporary service disruption and/or a precautionary boil water notice, you will be notified, via a door hanger or flyer posted in the building lobby.

PLEASE NOTE:
Dates and times are subject to change.

We apologize for any inconvenience.
