## Florida Licensing On Wheels (FLOW)

The mobile units provide a convenient method to renew a driver license, obtain a replacement driver license, original driver licenses through the Third Party Waiver program, conversion/reciprocation of your out of state license, changing a name or address on a current driver license, getting an identification card. Unfortunately, no written or driving tests are given from mobile units. In addition to licensing services, the mobile units also provide an opportunity for you to renew/replace a vehicle registration and apply, renew or replace disabled parking placards.
