Put your expertise to work while getting involved with your city! Volunteer NMB is a great way to meet new people and help the community as well.

The NMB Human Resources Department will do their best to make sure volunteers are offered opportunities that match their skills and interests while serving the operational needs of the City.

To determine how your skills can best help the City, Human Resources will conduct screening interviews for volunteers to match their qualification, ability and suitability to volunteer opportunities.

In most cases, volunteers will be required to attend a volunteer orientation meeting prior to their service.

Please call **(305) 948-2918** for more information or to request a volunteer service application.
